Ti, ti na skeftotan o Theos  
Otan se eftiahne ke pos na 'he niosi  
Ti, mipos se ihe erotefti  
Ki afu se estile sti gi  
Tora na to 'hi metaniosi

Esi, agapi ki erotas mazi  
Hroma lefko me thalassi  
Thimizis kati apo Ellada  
Esi, prosopo aggelu pu gela  
Ki erimiki mu akrogialia  
Skorpizis erota sto diava

Skorpizis erota sto diava

Ti, pes mu an gennithikes edo  
I epeses ap' ton urano san tis stales  
Ti, pes mu o Theos ti theori  
Aggelos ise i thniti san tis alles

Esi, agapi ki erotas mazi  
Hroma lefko me thalassi  
Thimizis kati apo Ellada  
Esi, prosopo aggelu pu gela  
Ki erimiki mu akrogialia  
Skorpizis erota sto diava

Skorpizis erota sto diava

Prosopo aggelu pu gela  
Ki erimiki mu akrogialia

Prosopo aggelu pu gela  
Ki erimiki mu akrogialia
