Constituion lost it's ink
They won't get away with this
Step up to the frontline
Everything you say and do
Nothing works because of you
Step up to the frontline
How could you not wanna fight
Look at what they did to us
Step up to the fronline
Screw your foreign policy
America is out for blood
Step up to the frontline

Altercation, pornographic, entertainment
It's our country

Pussy forces wadge the war
Polititions have no balls
Step up tot he frontline

Why weren't you protecting them?
Taxes paid for your mistakes
Step up to the frontline
Pledge allegiance to the flag
Soaked in blood and lighter fluid
Step up to the fronline
United we will always stand
America the beautiful
Step up to the fronline

Altercation, pornographic, entertainment
It's our country

Step up and stand tall
Preparing ourselves for war
Step up and stand tall
So step up to the...
