Pay, all by yourself  
Never alone  
Taking your place  
You'd better make me see your pain  
Never yourself  
Suck by a loss  
Taking your place  
You'd better make me see you  
Weren't you fucking listening to me

Stab me, shoot me  
Take my life  
Beat me, burn me  
Kill me quickly

Keep, all by yourself

Crawling alone  
Crawling away  
You'd better savor your grace  
Nothing you say  
All by yourself  
Stragglng along  
You'd better make me see you  
Weren't you fucking listening to me

Stab me, shoot me  
Take my life  
Beat me, burn me  
Kill me quickly

Save your silk cravat for another day
