Riff:

Chorus:(X2)

We gonna work, work harder  
for each other for the future  
my love we gonna work  
Work harder, for each other  
For the future, my love we gonna work

Every day I wake up with just one thing on my mind  
I will bring it home to you until the day I die  
You know that there was a time when we were not so  
free  
You know there's a love for life that burns inside of me

Chorus:

We gonna work, work harder  
for each other for the future  
my love we gonna work  
Work harder, for each other  
For the future, my love we gonna work

One day my daddy told me bout the journey I would  
take  
So I went off to do him proud a million quid to make  
Daddy please don't get me wrong I'm putting in the  
hours  
This journey is not so pretty you've given me the power

[Chorus:]

Work, work, work, work, work, work  
Got work

Sweating in the kitchen and some drawling at a desk  
To do what i'm doing right now I really must be blessed  
But my love don't get me wrong I'm putting in the hours  
So we can keep on singing songs with word and sound  
of power

We gonna work

[Chorus:]

I gotta work, you gotta work

We gotta work, anybody gotta work

I gotta work, you gotta work

We gotta work, anybody gotta work

Work, work

We gotta work

Work work work ..

We gotta work

Work work work

We gotta work

Brad was dead wrong.
