So you say everything's going to be alright now  
But how do you really know?  
And I know everything's going to be alright now,

And the universe told me that's how I  
That i how i think i know.  
So you say everything's going to be alright now  
And that's how i know.

I got a dancing with distress on my left,  
I've got a handle with a veness  
And no stress would be best, yeah.  
And this is all just for the best,  
In which case i'll replace baby girl with the next.  
Ciao

I never gave up on you, you never gave up on me  
But time starting tripping different waves than we  
The time and tife tried to blind our eyes,  
But they'll never catch us because we are acclimatized  
No our demise is not finalised.  
If the sun is high, i feel the time is right

So you say everything's going to be alright now  
But how do you really know?  
And I know everything's going to be alright now,  
'Cause i can see the sun?  
And the universe told me that's how I  
That i how i think i know.  
So you say everything's going to be alright now  
And that's how i know.

Yeah, yeah,  
I've fallen in love with the birds and bees,  
I got nothing but hugs for the herbs and trees.  
Somebody told me everything's gonna be,  
Coperspetic if you let it be,  
Kinetic energy is rendered to be unstoppable  
Unbeatable, undefinable like sunshine, i'm cool.  
Looked into the future and i saw a sign that said  
Don't stop it get it get it you'll be fine.  
So when i tell you everything will be cake and pie,

I know because the universe told me ayee.

So you say everything's going to be alright now

But how do you really know?

(Don't stop it get it get it you'll be fine.)

And I know everything's going to be alright now,

'Cause i can see the sun?

(Don't stop it get it get it you'll be fine.)

And the universe told me that's how I

That i how i think i know.

(Yeah, don't stop. Yeah don't stop)

So you say everything's going to be alright now

And that's how i know.

(Don't stop it get it get it you'll be fine.)

So i'm trying to put the sound of my voice because i'm  
a Kiwi,

Trying to make it rapping internationally.

So i set fire,

And then she was the girl, in the picture the one that  
you always wanted

And then she hittin' on you, and you were steady with  
her,

And then she made you feel so low.

But she gave her love, conditional love and then she  
made you feel yo-yo.

But you wanted to take this life apart, and sing about it  
at this show.

Oh-whooh-oh-oh

Oh-whooh-oh-oh

Oh-whooh-oh-oh

Oh-whooh-oh-oh

(Don't stop get it get it you'll be fine)

Oh-whooh-oh-oh

Oh-whooh-oh-oh

Oh-whooh-oh-oh

Oh-whooh-oh-oh

(Don't stop get it get it you'll be fine)

Oh-whooh-oh-oh

Oh-whooh-oh-oh

Oh-whooh-oh-oh

Oh-whooh-oh-oh

(Yeah don't stop, don't stop)

Oh-whooh-oh-oh

Oh-whooh-oh-oh

Oh-whooh-oh-oh

Oh-whooh-oh-oh

(Don't stop get it get it you'll be fine)

Oh-whooh-oh-oh

Oh-whooo-oh-oh  
Oh-whooo-oh-oh  
Oh-whooo-oh-oh
