### "Across The Universe"

Words are flowing out like endless rain into a paper  
cup  
They slither while they pass, they slip away across the  
universe  
Pools of sorrow waves of joy are drifting through my  
open mind  
Possessing and caressing me

Jai guru deva om, nothing's gonna change my world

Images of broken light which dance before me like a  
million eyes  
That call me on and on across the universe  
Thoughts meander like a restless wind inside a letter  
box  
They tumble blindly as they make their way across the  
universe

Jai guru deva om, nothing's gonna change my world

Sounds of laughter, shades of life are ringing through  
my open ears  
Exciting and inviting me  
Limitless undying love which shines around me like a  
million suns  
It calls me on and on across the universe

Jai guru deva om, nothing's gonna change my world
