Lucy came out of prison
Started a brand new life
Didn't know where to go
What to talk about
She said: "the time has come to leave town"

Is this what you want, yeah
'Cause you're trying to be
Like a weightless flying snowflake
Floating through the trees
You just want to feel free
Just want to be yourself
You're trying to lose
These gravity blues

Lucy said
Please don't remind me
Of my old school life
Now I'm living like a loner
Lord I've got no ties
She lost her life
Not her mind

Is this what you want, yeah
You're just trying to be
Like a weightless flying snowflake
Floating through the trees
You just want to feel free
Just want to be yourself
You're trying to lose
These gravity blues

Is this what you want, yeah
You're just trying to be
Like a weightless flying snowflake
Floating through the trees
You just want to feel free
Just want to be yourself
You're trying to lose
These gravity blues
