Long hair, soft lips
She's more sexy than my wildest dream
Long legs, strong hips
So damn sexy in the headlight beams

Hell yeah, here comes my girl

Love licks, howlin'
She's so sexy when I make her growl
Deep thrill, crowning
So damn sexy when we're cheek to jaw

Hell yeah, here comes my girl
Hell yeah, here comes my girl

Hell yeah, here comes my girl
Hell yeah, here comes my girl

Hell yeah, here comes my girl

Here comes my girl

Here comes my girl
