[Verse 1:]

White water rollin' in,
But I don't wanna go down like that
Skippin' rocks water cross my face,
But I don't wanna go down like that
Sea and salt makes it hard to crawl,
But I don't wanna go down like that
No I don't wanna go,
I don't wanna go down like that

[Chorus:]

Pain games make the rain come tumblin' down
'Round your footsteps, the sand falls, not a sound
Why won't that whistle blow?
Why won't that whistle blow?

[Verse 2:]

White water calls your name,
But you don't wanna go down like that
Blue and black brush across your face
But you don't wanna go down like that
Stand up, no ground,
But you don't wanna go down like that
No you don't wanna go
You don't wanna go down like that

[Chorus:]

Pain games make the rain come tumblin' down
'Round your footsteps, the sand falls, not a sound
Why won't that whistle blow?
Why won't that whistle blow?

[Verse 3:]

White water plays no cards,
But we don't wanna go down like that
Low current pulls across our face.
But we don't wanna go down like that
Wake up, prey cold,
But we don't wanna go down like that
No we don't wanna go,
We don't wanna go down like that

[Chorus: x2]

Pain games make the rain come tumblin' down

'Round your footsteps, the sand falls, not a sound

Why won't that whistle blow?

Why won't that whistle blow?
