I'm rollin' my ride on the 115
Ready to receive some good fun for the eve'
Got some money to burn, ready to consume
Need a special concern, 'cause my life is in bloom
Hayday

Now hurry, hurry to the city safari
Across Berlin, 'cause we're havin' a party,
We'll do what we want, live what we feel,
Sing like we wanna sing, swing, sway, aha
Hayday

Hey gimme hi-five!
We're in our hayday, we're having our payday, oh what
a day, hey!
Hey gimme hi-five!
Hayday is here to stay, tell me what I say,
Hey gimme hi-five, hey hey gimme hi-five!
Our hayday is here to stay, won't let it go away.
Hey, hey now sway away

Now show a little attitude, a little bit of gratitude
If life's ordinary - or even quite scary
Pick the extra ordinary - and swallow it down
Be your own special rebel with every blood cell
Hayday

Now hurry, hurry bro', hey sweet sister
Let's get it going fast, don't be a drifter
We'll do what we want, live what we feel,
Sing like we wanna sing, swing, sway, aha
Hayday

Hey gimme hi-five!
We're in our hayday, we're having our payday, oh what
a day, hey!
Hey gimme hi-five!
Hayday is here to stay, tell me what I say,
Hey gimme hi-five, hey hey gimme hi-five!
Our hayday is here to stay, won't let it go away.
Hey, hey now sway away
