Hey giddy up, good times!  
Cause I'm jiggin' my dancing line,  
I like it extreme and I need adrenaline.

Well, folks say I'm nuts  
But I keep on, sh-sh-shaking my butt  
Across town, I'm dancing in the sundown.

Well my boot-heel's hot, my appeal is strong,  
I'm dancing to my favorite song, hey

I keep on dancing, oh yeah  
Passing people stop and stare  
I keep on dancing, oh yeah  
I'm advancing, I'm dancing

Hey if there's a problem,  
It's not my problem,  
I'm letting out the freak in me.

Well, I feel like a billionaire  
And I keep on shakin' my derriÃ¨re  
Across the city, down to the nitty-gritty

Well I'm duded up sharp and I can't go wrong,  
I'm dancing to my favorite song, hey

I keep on dancing, oh yeah  
Passing people stop and stare  
I keep on dancing, oh yeah  
I'm advancing, I'm dancing  
[x2]

I keep on dancing, oh yeah  
Passing people stop and stare  
I keep on dancing, oh yeah  
I'm advancing, I'm dancing  
[x2]
