We wanna suck up cloud no. 9
In living the dream we're the first in line.
Future is now, we're the new generation
All we want's liberty of action.
This is what we want - liberty of action.
What do we want? - liberty of action.
Tell us what you want - liberty of action.

Do's, don't's, danger zones, on the streets, in my head
Fear, war, oil for blood. Who is God? Who is not?
I need a break, please somebody recall,
Hell, I'm tired of standing with my back against the
wall.
So, tell me what you want - liberty of action.
So, f*ck off, I want liberty of action.

Shake your money maker, pay your due,
Reach out for the sky, while the skies are blue.
I don't wanna die, before I grow old,
Gimme time to shine before my blood runs cold.

Sorry Mother Earth, our intentions our clear.
Money makes you turn around, so Mother - no fear.
And don't you complain - we're in pre-negotiation,
Politics will seek for the final solution!

Anything goes, gotta wheel the big deal
This is insanity, my head's under the heel.
So someone do something for cloud no. 9,
If no one does nothing, it's a question of crime!
So, tell me what we want - liberty of action.
Goddammit, we need liberty of action.

Shake your money maker, pay your due,
Reach out for the sky, while the skies are blue.
I don't wanna die, before I grow old,
Gimme time to shine before my blood runs cold.

It's now or never, we gotta change the channel.
Is it the light of a train, at the end of the tunnel?

I wanna suck up cloud no. 9
I'm living the dream I'm the first in line.
Future is now, we're the new generation
All I want's liberty of action.

We wanna suck up cloud no. 9
In living the dream we're the first in line.
Future is now, we're the new generation
All we want's liberty of action.
Hell we want liberty of action.
F*ck off, I want liberty of action.
Tell me what we want - liberty of action.
Come on, come on...
