Back on my wheels, hittin' the pedal and I'm heading  
for  
The next level and I'm shifting gear, pump it through  
The steelheart, it's all right - for a little ride!

Chrome girls on my mud-flaps, I got my blue slacks  
And my guitar in the back, well I'm the road-chief  
And I believe that I'm, I'm on a power ride!

I'm a starlight junkie and I follow the beam  
I'm a proud dude and I feel like a king  
I've got my mind made up, wanna ride my truck  
Got a run of luck and there ain't no stop, 'cause

Hey! I'm doin' it my way  
I'm on a long way on the lonesome highway.  
Yeah! I'm doin' it my way  
It's my way and I'm doin' it every day,  
I know it's a long way - but I must say, I don't care!  
Hey! My life is a highway, night or day  
I'm doin' it my way!

Hey, that's what I want y'all! Wanna reach a new  
highlight  
I'll never look back! Let me tell you my way is clear,  
I got a new life starting right here.

To the max on the long track, I'm going hog-wild  
Like a rip-tide. I'm on a revolution - that's my solution,  
Pitch black night, yeah I follow the lights.

I'm a diamond fellow and I follow my dream,  
A real gone daddy and I'm doin' my thing!  
I've got my mind made up, it's me and my truck,  
Got a run of luck and there ain't no stop, 'cause...

Hey! I'm doin' it my way  
I'm on a long way on the lonesome highway.  
Yeah! I'm doin' it my way  
It's my way and I'm doin' it every day,  
I know it's a long way - but I must say, I don't care!

Hey! My life is a highway, night or day  
I'm doin' it my way!

My truck o'luck, here I go go  
Yeah down the road, turn on my turbo.  
My truck o'luck's a crowd pleaser,  
Hey folks, I'm the highway Caesar!

My truck o'luck, here I come,  
That's sure where I belong!  
I've got the highway fever,  
Yeah baby, I'm a true believer

I'm a diamond daddy and it's time to shine,  
My damn good truck makes the world all mine!  
I've got my mind made up, yeah I wanna rock,  
Got a run of luck and there ain't no stop...

Hey! I'm doin' it my way  
I'm on a long way on the lonesome highway.  
Yeah! I'm doin' it my way  
It's my way and I'm doin' it every day,  
I know it's a long way - but I must say, I don't care!  
Hey! My life is a highway, night or day  
I'm doin' it my way!  
My way...
