Well it's the kinda dance I wanna do with
Yeah, it's the kinda dance I wanna do with you
Cause you're the - the only one I'm yearning for,
Cause you're the jigging queen
You sure got the kick and a freaky attitude!

Well, I'm going down town to jig it
Yeah jig-a-jig-a-jump-a-waka-turn it,
Turn it a loose, I'm blowing the fuse,
I grab my queen, we dance away our blues,
Hey babe, you got a freaky attitude.

Riding high, singing low
Face to face, toe to toe
Riding high, jig and jive, let it flow!
Riding high, singing low
Riding high, singing low.

Oh well now everybody's jumping around is
Is in a motion, all the people on the floor are in a
In a commotion, ride high, sing low, go go,
You're my queen, you sure got the kicks and a freaky
attitude.

People gather 'round and join us,
Don't hesitate to check out the jiggin' jive,
Jump, hog-wild dance steps,
Now grab your queen or king and let it swing,
Get the kick with a freaky attitude...

Riding high, singing low
Face to face, toe to toe
Riding high, jig and jive, let it flow!
Riding high, singing low
Riding high, singing low.
