Sex on legs - one, two, baby I want you
I'll drop down dead
Three, four, right on the floor
Sex on legs - five, six, play your tricks
And I'll drop down dead
Mhrr, you're sex on legs

Don't stop to move this way - I'm on my knees!
I can't resist no more, oh baby you shot me down.
Ain't got no bulletproof heart, you ring my alarms,
You've got some magical working charms.

Sex on legs - one, two, baby I want you
I'll drop down dead
Three, four, right on the floor
Sex on legs - five, six, play your tricks
And I'll drop down dead
Mhrr, you're sex on legs

Don't stop to move this way.
The way you sway takes my breath away
Your frequency's reaching out for me,
Transmitting your energy.
You're blowing my fuse, baby gimme the news,
Keep sending out your magical curse...

Sex on legs - one, two, baby I want you
I'll drop down dead
Three, four, right on the floor
Sex on legs - five, six, play your tricks
And I'll drop down dead
Mhrr, you're sex on legs

Hey, now baby stay, make my day.
I like the games you play.
I look back, to see if you look back.
To see if I'm looking your way.
Oh gimme gimme the thrills, come on in my arms,
I will surrender to your magical charms, ohh

Sex on legs - one, two, baby I want you

I'll drop down dead
Three, four, right on the floor
Sex on legs - five, six, play your tricks
And I'll drop down dead
One, two, baby I want you
I'll drop down dead
Three, four, right on the floor
Sex on legs - five, six, play your tricks
And I'll drop down dead
Mhrrr, you're sex on legs
