"Beep Beep"

Visit "[Beep Beep](#)" on MotoLyrics.com

Kitty Cat and Cheri D, rev it up, let's go, Beep! Beep!

Oh yeah, get in gear, fire it up, steer clear!
Oh yeah, oh yeah, fire up!

Fire up, rev it up, shift it up, floor it now,
And do you wanna smoke a Cuban cigar?
Fire up, rev it up, shift it up, floor it now,
And then we'll take our lovin' out to my car...

Do you wanna get in first? Let me know,
Come on and punch it, Beep! Beep! Beep!
Peel out in second, oh no! You love to go Beep! Beep!
Beep! Beep!

Fire up, rev it up, shift it up, floor it now,
I'm all in your trouble, and I don't care,
Fire up, rev it up, shift it up, floor it now,
Let's make out in my ride, babe, just let ???em stare...

Then we slide up in third, I like that clutch,
You keep me movin', Beep! Beep! Beep!
Take the fourth now, I like that touch,
You race me, baby, Beep!

Beep! Beep!

Don't get ahead, don't fall behind, stay between the
lines, you know what I like..
Your foot's like lead, what did you think I said!?
I hear a siren all hot wirin', ooh, slide up the wall, don't
miss that turn!
Shift quick, baby, and make that rubber burn!

Fire up, rev it up, shift it up, floor it now,
We took the top down, baby, with buildings tall,
Fire up, rev it up, shift it up, floor it now,
You took my top down, baby, and that's not all!

You wanna chase me? Come on, let's go!
I got your fifth gear, Beep! Beep! Beep!
Come on and get me, your motor's heat,

I'll tailgate you, Beep! Beep! Beep!
You need a jump, or you wanna stop?
I'm on your bumper, Beep! Beep! Beep!
The flag is shakin', I feel your steer,
Sweet love we're makin', Beep! Beep! Beep!
