Oh, child,
Down by the river Jordan
I'm gonna lift you up
Down by the river Jordan,
I'm gonna bring the sound
Oh, maybe this is time for goodbye
I really need my wings to fly
I'm up in the sky

Little baby, little baby girl
Up on the mountain ...
I'm gonna take a vow
Up on the mountain ...
I'm gonna take a vow

Oh, maybe this is time for goodbye
I really need my wings to fly
I'm up in the sky

I'm gonna go down, I'm gonna go down
I'm gonna go, go down
I'm gonna rise up, I'm gonna rise up

Oh, maybe this is time for goodbye
I really need my wings to fly
I'm up in the sky
Oh, maybe this is time for goodbye
I really need my wings to fly
I'm up in the sky.
