I know, I know you don't want me to leave
And I don't want you, but I have to!
You know, you know it's like
It's like I got.. in a dream
And I gotta get this money
So I, so I gotta be out
But when I leave you like

Chorus:

Please don't break my hea-a-a-a-a-rt
Let's go back to the sta-a-a-a-a-rt
Please don't break my hea-a-a-a-a-rt!

I'm packing up, I gotta leave now
Just keep my promise on the speed dial
When I leave you wonder why I don't call more
Because I'm trying to get up on a world tour
How do I say that and not offend you?
I have other business to attend to
In my phone book is different girls in different states
This is how the game go, see, it's give and take!
You was by my side down in the trenches
Before I even had all these riches
You wasn't concerned with all the bitches
You was say kill all that, you was my henchman!
And now that I'm getting some attention
Phone going up cause your intuitions
Listen, yeah, I know you're special
But I was living like this before I even met you!

Chorus:

I'm leaving, I'm leaving,
I'm leaving on a airplane
Don't know when
Don't know when I'll be back again!
I'm leaving, I'm leaving,
I'm leaving on a airplane
Don't know when
Don't know!
Please don't break my hea-a-a-a-a-rt
Let's go back to the sta-a-a-a-a-rt

Please don't break my hea-a-a-a-a-rt!

Uh, I gotta go cause it's like I'm on a...
It's something huge, and it's bigger than you think
and yeah it's sick, but it means I gotta split
Like the legs of a chick that had a few to many drinks!
And she's saying while you're out doing shows with
the...
I hoe them new demons will replace God
And I really hope that you don't need a ...
That's a little more pretty with a great body
See, the thrill appeals, the ills, the breaks
And all those little groupies, that's a bit shame
The.. the reals, the fakes
Just don't forget about me when you get famous
And every time that you're getting aboard a plane
Just know I'm looking up, and I ... your name
An though my hear is cold like the middle of December
Why you're going to November, I just want you to
remember!

Chorus:

Please don't break my hea-a-a-a-a-rt
I'm leaving, I'm leaving,
I'm leaving on a airplane
Don't know when
Don't know when I'll be back again!
I'm leaving, I'm leaving,
I'm leaving on a airplane
Don't know when
Don't know!
Please don't break my hea-a-a-a-a-rt
Let's go back to the sta-a-a-a-a-rt
Please don't break my hea-a-a-a-a-rt!
