"Boots and Blood"

Verse

On the other side of the tracks I've walked  
Alone most of my life  
And all I've got in my pocket's the same  
Rusted old razor knife

Chorus

I'm movin' on now  
There are no souls around  
Trouble here I've found  
Goes beyond boots and blood  
Boots and blood

Verse

Some never know what it's like to be wanted

I had a demon who wanted me  
Until that day she strolled right out of my life  
Oh lord, now I'll never be free

(Chorus)

Verse

Far away, is where I make my stand  
No one around to stone me  
There I lay in the sweet blue grass  
Forget about you my one and only

(Chorus)
