"Who am I"

Verse

Run baby run

Take your suitcase on the highway

Tears are runnin my way but I'm not scared

I can sing the notes real low

Low as I remember hittin that rock bottom

Years ago

Chorus

A rounder robbed me in the middle of the night

Left a few of my things out in broad daylight

An empty bottle some messy clothes

Then he hit my head

I got up and walked around for a bit

Shufflin' through all this shit

I found some lyrics and this is what they read

Who am I?

Who am I?

I don't know

Verse

Guns baby Guns

On the center of destruction

But for me it's my mind and my mind I can't let go

I can sing the notes real high

High as I once fell

Jesus when you gonna come rest my soul

(Chorus)

Run baby run

Take your suitcase on the highway
