Song by Filter

Hey old man got something for you  
change your mind gonna' make you take it  
your mistake is something you own  
I'm the one who's gonna' take it  
Hey old man got something for you  
hey old man got a real good tip  
something's wrong and you don't know it  
when will you learn  
I'm not your boy  
you don't look back  
why do I pick up your slack  
thats just fine just leave it like that  
bust your wallet while I break my back  
save your life with your life support  
you know me I'll pick up that  
Hey old man got something for you  
hey old man got a real good tip  
something's wrong and I guess you called it  
thanks alot because now I own it  
when will you learn  
I'm not your boy  
you don't look back  
why do I pick up your slack  
when will you learn  
I'm not your boy  
you don't look back  
why do I pick up your slack  
Will she pay my debts  
got your picture in my hands  
god you are so truly old  
thanks alot my future is sold  
when will you learn  
I'm not your boy  
when will you learn  
I'm not your boy  
hey old man got something for you  
hey old man got it real good tip  
hey old man got something for you  
hey old man got it real good tip
