What am I doin'
Same old place
Must be something
In my way

I gotta keep movin'
I can't help myself
I wanna be someone
Somewhere else

Got me wandering
Round all night
Hard to worry
If it is worth the fight

Hard to worry
If it's worth the fight

I feel like burnin'
Down this town
Kickin' and swinging
All the way down

Fast and pretty
Safe and sound
Sweet like cherry
Inside out

We kept on pushing
Until we got it right
Far from easy
But worth the fight

Far from easy
But worth the fight

Far from easy
But worth the fight

Far from easy
But worth the fight
