And it's still freezing out.  
I wanna tear down the walls.  
I wanna make it summer.  
Listen to Dillinger Four.  
Go can your fucking emo.  
You know I know we know that it's bullshit.  
It's never been nothing more.  
They'll turn their backs on you like you turned yours on  
me.  
There's nothing you could ever say to make me change  
the things I play.  
I happily accept the fact that nothing's ever gonna  
change.  
Na na na na na  
Na na na na na  
Na na na na na  
I'm going to fuck things up for everyone else.  
Yeah. Yeah. Yeah. Yeah. Yeah. Yeah.  
Life is unfair.
