Gonna take my time
I've got all the time in the world
To make you mine
It is written in the stars above
The gods decree
You'll be right here by my side
Right next to me
You can run but you cannot hide

Don't say you want me
Don't say you need me
Don't say you love me
It's understood
Don't say you're happy
Out there without me
'Cause I know you can't be
'Cause it's no good

I'll be fine
I'll be waiting patiently
Until see you see the sign
And come running to my open arms
But will you realize
Do we have to wait till our worlds collide
Open up your eyes
You can't turn back the time

Don't say you want me
Don't say you need me
Don't say you love me
It's understood
Don't say you're happy
Out there without me
'Cause I know you can't be
'Cause it's no good

Gonna take my time
I've got all the time in the world
To make you mine
It is written in the stars above

Don't say you want me
Don't say you need me
Don't say you love me
It's understood
Don't say you're happy
Out there without me
'Cause I know you can't be
'Cause it's no good

Don't say you're happy
Out there without me
'Cause I know you can't be
'Cause it's no good
