Visions of that no mornings  
Light ever will come  
I'm to old now  
The dark is so near,  
Will I ever reach  
The land beyond  
This is where we go when we have to die!

I've been old since the birth of time  
Time buried me in earth  
Centuries ago, I tasted blood  
Buried by time and dust  
Many years has pasted since the funeral  
Missing the blood of human throats  
So many years, ages ago  
I must await, feel my bodies stench

Wanderings out of space  
Wandering out of time  
A world out of light, death at the end  
Only silence can be heard, silence of peoples tears  
No one knows my grave  
Buried by time and dust
