I knew something was wrong
When a little pretty white girl ran into a black man's
arms.

Dead giveaway, dead giveaway.
My neighbor got big testicles cause we see this dude
every day.
We eat ribs with this dude, but we didn't have a clue
That that girl was in that house. She said: please help
me get out!

Dead giveaway, dead giveaway, Dead giveaway, dead
giveaway, Dead giveaway, dead giveaway,

Dead giveaway, dead giveaway.
My neighbor got big testicles cause we see this dude
every day.
We eat ribs with this dude, but we didn't have a clue
That that girl was in that house. She said please help
me get out!

So I opened the door, we can't get in that way
A body can't fit through the door, only your hand.
So we kick-kicked the bottom and she comes out, and
she says:
It's some more girls up in that house, call 911 and they
caught him at McDonald's.

I knew something was wrong
When a little pretty white girl ran into a black man's
arms.

Dead giveaway, dead giveaway.
My neighbor got big testicles cause we see this dude
every day.
We eat ribs with this dude, but we didn't have a clue
That that girl was in that house. She said: please help
me get out!
