CHORUS

GET YA SWAGGA ON, GET YA SWAGGA ON
REPEAT X 4
NOTHING BUT SWAGGA UP IN HERE (GET YA SWAGGA ON)
IF U LOOK GOOD IN WHAT YA WEAR (GET YA SWAGGA ON)
SO PUT YOUR DRINKS UP IN THE AIR (GET YA SWAGGA ON)
NOTHING BUT SWAGGA UP IN HERE (GET YA SWAGGA ON, GET YA SWAGGA ON))

VERSE 1

You really must be fly, if you fly like me,
Cause I'm just so fresh and so clean clean,
My whole team, they be living the dream dream,
Tonight the party's hype, I feel like a king king,
My shoes be spotless, My dreadz looking tight,
My shave be sharp, When Flair's in full flight,
Ladies look lovely, in their dresses and high heels,
Swagga spectacular, session be laced with it,
You heard bout the word, well tonight ya faced with it,
No time for hater-ism,
People will talk their ism,
Bounce to the rhythm, Give praise for how ya livin'
In ful Swaggerism.

ChORUS

There's always someone out there,
Who tries to steal your shine,
Carbon copy your style and greet you with a smile,
We dont pay no attention, to envious intentions,
So I wont even mention.....(The haters)
Its all about the Swagga, Style and the Flair,
From the way you rock your hair, to the style of clothes
you wera,
To the way that you appear, make people stop and
stare....
And tonight, there's bare.... Swaggerers in here

(shouted)

Top-Dogs, down for the cause, no margin for error,
Will I ever lose my Swagga,
God forbids....Never,
Its the way how I walk, Its the way how I talk,
Its the way how I move, when I do all the things that
I do, When I cruise its the music I choose,
Giving praise for ow I'm livin'
In full Swaggerism...bounce ..bounce.
