My love is a roller coaster
Baby come get it before it's over
Roller coaster
Come on baby get closer
You look so right
You stimulate my appetite
Let's get to the ..
You are coming to my bed tonight
I've been looking all over
Trying to find a girl like you
.. call her my boo
Girl you are looking like you want me
And you know I am wanting you
I really want you
But I know you want me too
My love is a roller coaster
Baby come get it before it's over
Roller coaster
Come on baby get closer
Cause I go place to place
Got no time to be .. down
Cause I .. my spaceship
And I come into your town
I ain't playing around
When I say tonight is going down
.. get one more round
But if I don't longer love you
Gonna be looking at the ground
I am looking for a woman
Who will know where to be found
My love is a roller coaster
Baby come get it before it's over
Roller coaster
Come on baby get closer
I met this girl on VIP
On one of my shows
So I really don't know
Where she's expecting this thing to go
You can waste .. grown
What if tomorrow I just don't want to know more
Girl you are looking like you want me

And you know I am wanting you
I really want you
But I know you want me too
My love is a roller coaster
Baby come get it before it's over
Roller coaster
Come on baby get closer
My love go down go up go down
We can circle around the world
We can shut up to the moon
My love is a roller coaster
Baby come get it before it's over
Roller coaster
Come on baby get closer
