I think of evergreens and root beer, I just forgot how it goes.

I feel like hopscotch on bourbon shots, but I'm all over the road.

And the road just gets longer with every step that I take.

Somehow I wanna stumble - then again and again and again.

If my head keeps spinning like this, baby, I wouldn't wait up.

I know it's not just a game, but Simon Says it's all outta love.

I'm pulling slot machines and dime bags.

Pushing my luck around.

I'm thinking this must be Vegas 'cause the only way out is down.

It feels like this is a robbery, but I'm the only one around.

I'm screaming out my lungs.

But my knees against the pavement make the only sound.

If my head keeps spinning like this, baby, I wouldn't wait up.

I know it's not just a game, but Simon Says it's all outta love.

I don't care for cops or the highway patrol.

I know where I'm going and it sure ain't Rome.

I'll make a right and a wrong, whatever gets me gone.

I wish you were going, but I'm all outta love.
