"Heads And Tails"

I want it all and all the other stuff and you.
I wanna run up the hill and tumble down without any
excuse.
I know you feel the same - like nothing you're told is the
truth.
I'm not spending one more day working 9 to 5
From today I don't know how to lose.

Made up my mind, and I don't worry 'bout what's in
your eyes.
Heads and tails don't matter - either way I'll be right
I won't go with the flow 'cause it's moving too slow.
But I've been chasing my tail from the moment you
showed.

I'm gonna leave this town no matter what it takes.
I hear your silent shout, but I can see you're afraid.
I've been chasing you all across town.
I see you playing dead, but I can hear your heart howl.
