I'm out of words at the moment, because I don't have a quote.

I'm just thinking out loud here - didn't mean to make a joke.

I can't remember your birthday, or the color of your eyes.

You can get what you want, when you stop wanting lies.
If I'm over the top, you must be The Valley of Darkness.

I'm warming up out of nowhere, because I don't have a joke.

I'm just too honest to know - how you cut me off with a quote.

I never finish in last place, but I'm not number one.

Guess that's what you get, when you get what you want.

If I'm over the top, you must be The Valley of Darkness.

You can have it your way if you want it.

Whatever you do you've just done it.

You can have everything you ever wanted.

No matter the point I'll think it's funny.

I'll think of something, I'll think of something

To get back at you, right on the money.

Make a run for it, make a run for it

But once you get me going, there's no way to stop it.

If I'm over the top, you must be The Valley of Darkness

If I'm out of control, you should know that I'm just getting started
