"Some People"

You turn it up, you turn it off, you turn around.
Someone turned you down.
You dress up, you take it off, you spin around.
No one took you out.

Some people, some people never change.
Some are never the same.
Some are trying too hard
You're trying too hard to be someone else.
Trying to be yourself.

I can't turn it up, I won't turn it off, I can't turn around.
Are you ever gonna turn me down?
There's a photograph of a camera hanging from my
heart.
I wear it inside out.

Some people, some people never change.
Some are never the same.
Some are trying too hard
You're trying too hard to be someone else.
Trying to be yourself.

You'll get it right if you put up a fight [x12]
