(featuring Jason Mraz)

Well you've done done me and you bet I felt it  
I tried to be chill but you're so hot that I melted  
I fell right through the cracks  
Now I'm trying to get back  
Before the cool done run out  
I'll be giving it my bestest  
And nothing's gonna stop me but divine intervention  
I reckon it's again my turn to win some or learn some

But I won't hesitate no more, no more  
It cannot wait, I'm yours

Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find love love love love  
Listen to the music of the moment people dance and  
sing, we're just one big family  
And it's our God-forsaken right to be loved loved loved  
loved loved

So I won't hesitate no more, no more  
It cannot wait I'm sure

There's no need to complicate  
Our time is short  
This is our fate, I'm yours

Do you want to, come on, scootch on over closer dear  
And I will nibble your ear

I've been spending way too long checking my tongue in  
the mirror  
And bending over backwards just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face and I laughed  
I guess what I'll be saying is there ain't no better reason  
To rid yourself of vanities and just go with the seasons  
It's what we aim to do  
Our name is our virtue

But I won't hesitate no more, no more  
It cannot wait, I'm yours

Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find that the sky is yours  
So please don't, please don't, please don't.  
There's no need to complicate  
'cause our time is short  
This oh, this oh, this is our fate, I'm yours
