If I can't have anybody else but you,
Baby don't you know what you put me through.
I don't want anybody else it's true.
No one does it better than you.

Didn't you know, that I wanted to call,
Tell me what's on your mind baby,
Maybe you don't want my love at all.
I thought I deserved more than that,
I'll give you all the love that I can.
I know what I've gotta do,
Gotta get through to you,
And make you understand baby.

If I can't have anybody else but you,
Baby don't you know what you put me through.
I don't want anybody else it's true.
No one does it better than you.

Now if you wanna ride, all night,
I'm waiting come inside
But if you wanna go, lemme know,
Don't lead me on, Don't waste my time.
I think I deserve more than that
I've given you all that I can.
I know what I've gotta do,
I Gotta get through to you,
And make you understand baby.

If I can't have anybody else but you,
Baby don't you know what you put me through.
I don't want anybody else it's true.
No one does it better than you.

(Anybody, anybody)

And baby, in my dreams I make love to you
And I'll do everything that oyu wanna do
Don't even think that I'm not the man
I'll go crazy, you drive me insane.
No one does it better than you.

If I can't have anybody else but you,
Baby don't you know what you put me through.
I don't want anybody else it's true.
No one does it better than you.

If I can't have anybody else but you,
Baby don't you know what you put me through.
I don't want anybody else it's true.
No one does it better than you.

If I can't have anybody else but you,
Baby don't you know what you put me through.
I don't want anybody else it's true.
No one does it better than you.

No one does it better than you.
