Chorus:

Tap, tap, tap, tap, tap your toes.  
Tap it out. Tap, tap, tap, tap, tap your toes.  
Tap it out. Rap it out, clap it out.  
Tap, tap, tap your toes;  
Whoa.

Band:

You got some words in your head.  
Rap it out, rap it out, rap it out.  
Put the rhythm from your head to your hands instead.  
Clap your hands, clap your hands, clap your hands.  
Well if you feel, feel the beat... down in the souls of  
your feet.  
It's a sound thats just so totally sweet.

Chorus:

Tap, tap, tap, tap, tap your toes, tap it out.  
Tap, tap, tap, tap, tap your toes, tap it out.  
Rap it out, clap it out.  
Tap, tap, tap it out; whoa.

Band:

Do your own thing.  
Show the world how you feel.  
You cant be wrong if your keepin it real.

Band:

Your fingers are itchin, itchin to move.  
Snap em out, snap em out, snap em out.  
Your body's twitchin, twitchin to the groove.  
Shout it out,  
Shout it out,  
Shout it out.  
Well if you feel, feel the beat, down in the souls of your  
feet.  
It's a sound thats just so totally sweet.

Chorus:

Clap, clap, clap, clap, clap your hands.  
Clap it out.

Clap, clap, clap, clap, clap your hands.  
Clap it out.  
Rap it out, tap it out.  
Tap, tap, tap it out; whoa.

Band:  
Do your own thing.  
Show the world how you feel.  
You can't be wrong if your keeping it real.

Tap, tap, tap, tap, tap your toes.  
Tap it out.  
Clap, clap, clap, clap, clap your hands.  
Clap it out. Rap it out, clap it out.  
Tap, tap, tap it out; whoa
