Just trying to do everything that we've done
Your girl probably looking for a..
I could play a chick, but I'm looking like a beach blonde
Yeah, I stay...
Pretty young thing in the seat up front
The speaks in the back beating up the...
Yeah all right, OK, .. the sun down, all night, all day
Fuck me... mayday, let's crash this party!

The party crashers, the party crashers
Welcome to your house like I'm tripping...
Talking to your spouse like where did you find that
shit?
Too much material, so much plastic!
And now I'm real .. fashion
Can't even pray .. with a ... wholly accent!
Just imagine, ... you kids are so damn last year!
Uh, throw a bowl full of new shit
Got Hollywood..
..that's the coolest,
And the party, I guess...
Uh, so I'mma wear it now,...
..the fucking roof on the house!

Part crashers, party crashers
Part crashers, party crashers
Part crashers, party crashers
Part crashers, party crashers

..we like to party,
We don't go trouble, we don't..
Too fresh, the prototype..
How cold, so fresh to death
You can tell by the.. on my neck!

You know... but that's me I don't give a fuck!
I'mma, I'mma trick you down!
I'm here for the...
Yeah, I'm too cool for cool man
Come so damn clutch!
First one to drink the cool..
I'mma throw the whole party up!
My name was.. I can't.. to get this
Whole party jumping when they're listening to this
I'm so fly like I'm ...
Seen a couple high chicks,
But they all got...
I'm leaving on ..
But I don't know where I'm going
But I don't give a fuck man
Is better than the buss
The temperature here is going up, up, up!

Part crashers, party crashers
Part crashers, party crashers
Part crashers, party crashers
Part crashers, party crashers

Roll up in the... crash that shit!
Ride a
Swag on twenty-five
Crashing party, crashing party, crashing party
Crashes party, crashes party, crashes party,
Crashing party, crashing party, crashing
Swag on twenty-five
In my old school I'm..
If 2012 is an old school
I don't wanna be... with fifty bottles everywhere
I don't care, someone call me a cab!
Where's my car?
What's your name again?
You wanna make out?
It's cool,... we could be friends!
