He casually, leads her into a room where she, feels
only his hand.
Gripping tighter she swore that she's not like "them",...
your so special

COME ON, GET REAL it's not a fairly tale your living in
COME ON, GET REAL, how well you think you know him?

He's sorry to say that this sounds so god damn familiar
(He listens as she breathes)
She hesitates, but only to cover the fact that it
happened so easily

She's looking at me as if I should be impressed,
He's looking away, as he cannot stand the mess

Far away, in the desert the sky's will open to free
A GODDESS! AN ANGEL! I ONLY DESIRE SHE
Far away, in the desert the sky's will open to free
A GODDESS! AN ANGEL! I ONLY DESIRE

And her feet then touch the ground. her eyes, they
pierce my soul.
So I stand in awe paralyzed by her. she numbs all other
senses.
She asked if I would mind to go away with her...

No girl could ever compare. her beauty exceeds all of
them.
Her feet then touch the ground. her eyes, they pierce
my soul.

And I move left to right in every direction, looking for
someone, someone to love.
I move left and right and every direction, trying to find
someone to love.
Someone to love
I'll try, to make believe that it wasn't for you.
I'll try to make believe this is the end where she loves
only me.
She loves only me. no?
