August 28th Baxter filed a patent for the vaccine  
Published seven months later a month before the  
release

Of the alleged new strain to Mexico officially,  
Filed and known previously.  
How obvious can they be?

Exposed, the unfolding plan to  
Kill vast numbers of people  
Through engineered viruses and vaccines  
Perfected, it switches off the immune system.  
Troops are used as guinea pigs to test the effects  
Of the three vaccine systems the Illuminati have  
cultured

August 28th Baxter filed a patent for the vaccine  
Published seven months later a month before the

Of the alleged new strain to Mexico officially,  
Filed and known previously.  
How obvious can they be?

The first inoculation turns off the white blood cells  
The second injects the viruses then switches off the  
system  
The viruses are expanding all over the body  
They'll lower the populace and feign terror waves
