Can i lie in a world where eyes do not see
cos I was born in this place where hearts do not beat
But I won't blame you
i wont blame you cos now, i am your big grown son

i have come to receive things your god can't bring
i am here to collect what belongs to me
but i won't beg now
but I won't beg now cause I am the king

My Reign now goes on
and you can't bring me down today
i swear that my pain inside, will rule the skies
and I won't fade away , i won't fade away no...

my own grief is defining this silent being
my insanity links to the path beneath
Path that leads to
where i want you held down, in my little private hole

I'm rebuilt and i'm not what i used to be
i have left in the past old those worthless dreams
and i have banned you
from my plans now cause I am the king

My Reign now goes on
and you can't bring me down today
i swear that my pain inside, will rule the skies
and I won't fade away

My Reign now goes on
and you can't bring me down today
i swear that my pain inside, will rule the skies
and I won't fade away , no i won't fade away

uuuuuu...

My Reign now goes on
and you can't bring me down today
i swear that my pain inside, will rule the skies
and I won't fade away

My Reign now goes on
you can't bring me down today
the pain inside, will rule the skies
and I won't fade away , no i won't fade away

i wont, i wont, i wont, no i wont fade away
