Lies and deception in power  
Lies and deception for you  
Lies and deception in power  
Power over you

Dig a little deeper  
Things are not what they seem to be  
Check a little further  
Check it out for yourself

The truth will stand  
But it's not what they want you to find  
Check a little further  
Check it out for yourself

>From Santa Claus and Easter Bunny  
To the Preacher and the President  
>From the day we're born to the day we die  
Too many lies

'Cause everybody's saying it  
Does not mean it's right  
'Cause everybody's doing it  
Does not make it's right

Think for yourself  
Don't lean on tradition  
Think for yourself  
Don't lean on tradition

'Cause there's lies and deception in power  
Lies and deception for you  
Lies and deception in power  
Power over you

Be sober, be vigilant  
The great dragon deceives the whole world  
As a roaring lion seeking whom he may devour  
Lies are his language  
And his servants do masquerade

But he who belongs to God  
His work God sends  
Yes, he who belongs to God  
His work God sends

[chorus]

[repeat]
