Well, Oh baby baby, Don't you want a man like me?

Oh baby baby, Im just as sweet as anybody could be

Oh baby baby, I want to look to your eyes, of blue

Oh baby baby, It's more than anybody else could do

Well, Oh baby baby

You know when I see you walkin down the street

Oh baby baby, Well you lookin good enough to eat

Oh baby baby, I dont believe I've tasted this before

Oh baby baby, I want it now

And every mouthfull more of you

Talk about you, Yeah, Talk about yeah

Oh baby baby, You know that I wanted it more

Oh baby baby, Im about to kiss goodbye to this store

Oh baby baby, It aint the wrappin that sells the goods

Oh baby baby

I got a sweet tooth when my mouth is full of you
??????????

Talk about you, Oh yeah, Talk about you,

(solo)

Yeah, Talk about you, Oh yeah, Talk about you

Ooh baby oh baby its alright, its alright

Ohh baby its alright...its alright

Oh baby baby

Well now you sting me like a bee

oh baby baby

I like your honey; it sure does me

Oh baby baby

I got the spoon inside your jar

Oh baby baby

Dont give me too much, dont make me starve

Oh baby baby

Sugar sittin on a silver plate huh

Oh baby baby

Ill eat em up, I just cant wait you know

Oh baby baby

You see me shakin my head

Oh baby baby

Dont give me (clover???) cuz it tastes so bad

Ohhh baby its alright, oh its alright

Ohhh baby its alright, oh its alright
