Her face is cracked from smiling

All the fears that she's been hiding

And it seems pretty soon ev'rybody's gonna know.

And her voice is sore from shouting

Cheering winners who are losing

And she worries if their days are few

And soon they'll have to go.

*My my my I'm so happy

I'm gonna join the band

We are gonna dance and sing in celebration

We are in the promised land.

She hears them talk of new ways

To protect the home she lives in,

Then she wonders what it's all about

When they break down the door.

Her name is Brown or White or Black,

You know her very well,

You hear her cries of mercy

As the winners toll the bell.

* Chorus

There is a train that leaves the station

Heading for your destination,

But the price you pay to nowhere has increased a dollar
more.

Yes, it has!

And if you walk you're gonna get there

Tho' it takes a little longer,

And when you see it in the distance

You will wring your hands and moan
