You said I was the only, oh, oh

With my lemon in your hand

Exhibition is your habit

Emotions second hand, oh, oh

Had to pull away to save me

Maybe next time around

And she said, don't you wannit?

Don't you want coca-coca-cocaine?

Hadn't planned to, could not stand to

Try it, friend, yeah, na, na, yeah

Whoo ooh ooh ooh

Heard a cry for mercy

In the city of the damned

Oh oh babe, damned

Impossible to go lower

The next stop's on the ground

Oh, low on the ground

You want to know is it quite over

To fame and tears and losing hair

And I said didn't mean to... did not mean to f-fail

You didn't plan it, you overran it...yeeeeeeeah!

You wanna do it, you wanna

You wanna do it when you wanna

You wanna do it, do it when you wanna

When you blow it, babe

You got to blow it right

Oh baby, if you fake it, mama

Baby, fake with all your might

When you fake it, mama

Please fake it right

For yourself, babe, will you fake it?

You're fakin' it for your life

For your life

For your life

For your life

Do it, do it, do it, do it, do it

Do it when you wanna

Do it, do it, do it

Do it when you wanna

Oh, I can have you, baby

But I don't know what to do, yeah

Sometime, baby, nothin' I could do

Wanna find myself a crystal

Payin' through the nose

And when they couldn't resist you

I said "Just go with the flow"

And now your stage is empty  
and now the curtain, baby please.

Fold up your show

Hadn't planned to

Could not stand to

(fryin!)

Hadn't planned it

I over ran in

(fryin!)

For your life

For your life
