How many more times

Treat me the way you wanna do?

How many more times

Treat me the way you wanna do?

When I give you all my love

Please, please be true

I'll give you all I've got to give

Rings, pearls, and all

I'll give you all I've got to give

Rings, pearls, and all

I've got to get you together baby

I'm so sure you're gonna crawl

I was a young man, I couldn't resist

Started thinkin' it all over, just what I had missed

Got me a girl and I kissed her and then and then

Whoops, oh Lordy, well I did it again

Now I got ten children of my own

I got another child on the way - that makes eleven

But I'm in constant heaven

I know it's all right in my mind

I got a little schoolgirl and she's all mine

I can't get through to her 'cause it doesn't permit  
But I'm gonna give her everything I've got to give  
Oh, Rosie - oh, girl  
Oh, Rosie - oh, girl  
Steal away now, steal away  
Steal away baby, steal away  
Little Robert Anthony wants to come and play  
Why don't you come with me baby?  
Steal away - all right - all right  
They call me the hunter - that's my name  
They call me the hunter - that's how I got my fame  
Ain't no need to hide - ain't no need to run  
'Cause I've got you in the sights of my guuuunnn!  
How many more times  
Barrelhouse all night long?  
How many more times  
Barrelhouse all night long?  
I've got to get to you, baby  
Girl, please come home  
Why don't you listen to me, baby?  
Why don't you please come home?  
Why don't you please come home
