I told you baby

Long time ago

I don't want no woman

Baby, mess around my door

I gotta move

Baby, baby, baby, I got to move

I don't want you messin' woman

I don't want your foolin' round with me.

Hey.

I told you baby

Once upon a time

You would be my woman

Said oh, you'll be mine

But that is alright

That's alright, alright

Whoa that is alright baby

Treat me wrong tonight.

Whoa, don't want you baby

Always foolin' round with me

Oh no no no no

I don't want my baby

Always foolin' round with me

She tries to make me leave her

Always get away from me
