In the evening
When the day is done
I'm looking for a woman
Oh, but the girl don't come
So don't let her
Play you for a fool
She don't show no pity baby
No no, she don't make no rules
Oh, oh, I need your love,
I need your love
Oh, I need your love
I just got to have
So don't you let her
Oh, get under your skin
It's only bad luck and trouble
>From the day that you begin
I hear you crying in the darkness
Don't ask nobody's help
Ain't no pockets full of mercy baby
Cause you can only blame yourself
Oh, oh, I need your love,

I need your love

Oh, I need your love

I just got to have

Oh it's simple

All the pain that you go through

You can turn away from fortune, fortune

Cause that's all that's left to you

It's lonely at the bottom

Man, it's dizzy at the top

But if you're standing in the middle

Ain't no way you're gonna stop

Oh, oh, I need your love,

I need your love

Oh, I need your love

I got to have

Oh whatever that your days may bring

No use hiding in a corner, Oh no

Cause that won't change a thing

If you're dancing in the doldrums

One day soon, it's got to stop, it's got to stop

When you're the master of the off-chance

When you don't expect a lot

Oh, oh, I need your love,

I need your love

Oh, yeah, I need your love

I got to have

oooh, ooh, etc
