I've got a baby y'know

She treats me fine

I've got a little woman wanna give me but her

A-give it all the time (?)

(?) baby

She's nice and kind to me

A-give me breakfast in the mornin' ya know she

Also makes my tea

Let's go!

She got a little diamond

Shine like gold

Got a mortgage on my body

Got a lien on my soul

When my baby walks ya know

Her front teeth they shine like gold, they do

Well-a ya know she shine like diamond

But she got a mortgage on my soul, hah!

Get up, get up, get up

Hah! Alright, yeah, ah

My baby when she walks ya know

Shakes just like a willow tree

Yes, my baby when she walks ya know

Shakes just like a willow tree

She so mean and evil

She makes a monkey outta me

Whoah alright
