I wanna tell you bout my good thing

I ain't disclosing no names but--

He sure is a good friend and!

I ain't gonna tell you where he comes from, no!

If I tell you you wont come again! Hey!

I ain't gonna tell you nothin but I do will, but I know,
yeah!

I should do but I know now let me tell you bout my girl:

Open up a newspaper and what do I see? Ahh, ah

See my girl, ah, looking at me

Ooh, And when she walks, Ooh, lemme tell ya:

She walks and when she talks, she talks and

When she looks at me in the eye

She's my baby lord I wanna make her mine

Tell me baby what you want me to do!

You want me to love you, love some other man too?

Ain't gonna call me Mr. pitiful, no!

I don't need no respect from nobody no! no!

Ooh yeah! no no! ahh!

I ain't gonna tell you nothing I ain't gonna no more, no!

She's my baby let me tell you that I love her so and

And! She's the woman I really wanna love

And let me tell you more, ooh!

She's my baby she lives next door

She's the one a woman the one a woman that I know.

I ain't gonna... tell you one thing that you really ought to know ooh!

She's my lover baby and I love her so and

She's the one that really makes me whirl and twirl!

And she's the kind of lover that makes me me fill the whole world and

She's the one who really makes me jump and shout, ooh!

She's the kind of girl--I know what it's all about!

Take it take it

Excuse me

Oh will ya excuse me

I'm just trying to find the bridge

Has anybody seen the bridge?

Please!

(Have you seen the bridge?)

I ain't seen the bridge!

(Where's that confounded bridge
