This is the springtime of my loving-

the second season I am to know

You are the sunlight in my growing-

so little warmth I've felt before.

It isn't hard to feel me glowing-

I watched the fire that grew so low.

It is the summer of my smiles-

flee from me Keepers of the Gloom.

Speak to me only with your eyes

it is to you I give this tune.

Ain't so hard to recognize-

These things are clear to all from

time to time. Ooooh...

Talk Talk-

I've felt the coldness of my winter

I never thought it would ever go

I cursed the gloom that set upon us...

But I know that I love you so

but I know that I love you so.

These are the seasons of emotion

And like the winds they rise and fall

This is the wonder of devotion-

I see the torch we all must hold.

This is the mystery of the quotient-

Upon us all a little rain

must fall, Just a little rain?

oooooh, yeah yeah yeah
