When they were in junior high  
never wanted to be with the guys  
And now they are going to graduate  
won't date anyone under 28

Well they talk about their friends  
behind their backs  
And how so and so's  
dress looks like a sack

They claw at each other  
day after day  
Oh I can't think  
of one good thing to say

About all the pretty girls  
in high school  
All the pretty girls  
in high school  
And all the pretty girls  
go yack, yack, yack  
And all the pretty girls  
drive new Cadillac's

Well they all have  
athlete boyfriends  
And they all wear  
designer jeans

Always putting on  
too much makeup  
And the prom  
is their only dream

Well they get in corners  
and they talk about her  
They vote each other  
for beauty queen

Always seem to have  
extra lunch money

And oh i can't think  
of one good thing to say about

All the pretty girls  
in high school  
All the pretty girls  
in high school  
All the pretty girls  
go yack, yack, yack  
And all the pretty girls  
drive new Cadillac's

I say all the pretty girls  
in high school  
Make me sick!
